

PTCB CERTIFICATION PROCESS

1

Register online to create a [PTCB Account](#).

2

Apply for certification by logging in your PTCB Account. The cost to apply and take the Pharmacy Technician Certification Exam (PTCE) is \$129. Once an application is approved, you will receive an authorization to schedule from PTCB.

3

Schedule your PTCE testing appointment after you have received your authorization to schedule from PTCB. You may schedule your appointment online or call Pearson Vue at 866-902-0593. The PTCE is administered year-round at more than 250 Pearson Professional Centers nationwide.

4

Take the PTCE, a two-hour multiple-choice exam containing 90 questions (80 scored questions and 10 unscored questions). Official score reports are available online approximately one to three weeks following your exam.

5

If you obtain a passing score on the PTCE, you will receive a printed certificate and wallet card approximately four to six weeks after your exam. You may also log into your PTCB Account to download and print an official certificate.
